There is always room for improvement. Do you have **feedback** for us on how we can make Nowhere more inclusive for you? Let us know!

Did you have a bad experience and do you want to report this to someone with experience in harm reduction who might understand you better?

You can mail to our inclusion lead
Tilke: tilke@goingnowhere.org

Are you interested to be **part of the inclusion team** to think and reflect on all of this. Reach out, we would love to hear from you!

Harm reduction

About AA/NA recovery, consent & safe sex, ear protection and more.

Most people know harm reduction related to alcohol and substances recovery. And yes, it is absolutely about this. But also about more! It's about reducing harm in situations as drug/alcohol use, sexual activity, loud noises, etc.

What are we doing this year?

1. AA/NA MEETING FOR PEOPLE IN RECOVERY: FRI AT 12:30PM AT HYPERFLOW
2. EARPLUGS AT MALFARE
3. CONDOMS AT MALFARE
4. EVERY BARRIO HAS A CONSENT LEAD
5. CONSENT VIOLATION BOXES (AT SAFER SPACE AND YELLOW TENT FREECAMPING)
6. SAFER SPACE TEAM (EVERY DAY 16H30-18H30)
